

3rd ANNUAL
HEARTS OF GOLD GALA

Thank you for bringing your Hearts of Gold!

Thank you to everyone who attended, donated, volunteered, sponsored, bid on auction items, and continues to support our mission here at Crisis House!

Bringing together familiar faces and those who were hearing about Crisis House for the first time after three long years without an in-person event was so special.

We raised enough money to send at least 40 kids to camp this summer and furnish multiple homes for families entering our domestic violence programs!

We are incredibly grateful and can't thank you enough for your generous support. Stay tuned for details about our upcoming events and ways you can get more involved with Crisis House!

You can [click here](#) if you are interested in supporting Crisis House by becoming a monthly partner.
