

#GIVINGTUESDAY™

Today is #GivingTuesday! This year, Crisis House is proud to match #GivingTuesday gifts, up to \$60,000--doubling your giving power. This dollar-for-dollar matching was made possible by the generosity of an anonymous private donor and The Parker Foundation.

We ask that you consider donating \$100. That is enough to help us furnish an apartment for a mother and her children fleeing domestic violence, or provide hot meals to the homeless men and women who come to our doors each day, or it would meaningfully contribute to a security deposit for someone who is ready to transition into permanent housing. The impact of \$100 is huge.

If we can secure just 200 contributions of \$100, that will mean an additional \$20,000 for the organization. We are uncertain if you can commit to \$100 but we know you'll do the best you can for Crisis House.

We hope you will help us make the most of this opportunity by spreading the word and encouraging people to participate in #GivingTuesday by making a gift to Crisis House.

If you cannot donate your own money, you can help by letting people know about #GivingTuesday on your social media such as Facebook, Instagram, and Twitter. You can even create your

own Facebook Fundraiser.
