

Happy Thanksgiving!

On behalf of all of the staff at Crisis House, and the clients that we serve, we want to wish you a Happy Thanksgiving. At Crisis House we are always thankful for support like yours.

This year we will end homelessness for 500 men, women and children. Although this victory may seem small compared to the need in San Diego County, you know that for those families it is immeasurable. It is because of you that more than 300 children can enjoy the holidays somewhere safe. Thank you for caring about our clients.

Our mission to, “respond immediately to stop

the cycle of domestic violence and homelessness and connect families and individuals to crucial resources that empower them to renew their lives," could not be achieved without friends like you.

STAY CONNECTED
