Giving Tuesday 2021

Everyone has something to give and every act of generosity counts

Be a part of the global generosity movement and celebrate all acts of giving!

Giving Tuesday is a global generosity movement unleashing the power of radical generosity. After Black Friday and Cyber Monday, Giving Tuesday is an opportunity for all of us to create a better and more equitable world.

This year, Giving Tuesday falls on **November 30, 2021!**

This movement was inspired by a simple idea: create a day that encourages people to do good. Since then, it has grown into a year-round global movement that inspires hundreds of millions of people to give, collaborate, and celebrate generosity.

It's a simple idea: whether it's making someone smile or giving some of what we have to those who need our help, every act of generosity counts and everyone has something to give.

Crisis House Gives Thanks!

Gratitude abounds at Crisis House!

Thanks to **Our Lady of Grace Catholic Church**, Crisis House wrapped up our **Holiday Angel Program for Thanksgiving** on Wednesday, November 17th.

This year, Our Lady of Grace Catholic Church assisted **35 families consisting of 38 adults and 67 children!** Each participant received gift cards to purchase a holiday meal and pantry staples. All of our clients were grateful to receive this gift from the generous parishioners of Our Lady of Grace.

Our agency is also thankful for our wonderful Crisis House team that chooses to serve our community each and every day. We are especially excited to introduce our two new hires, **Bradley Carpenter** and **Jackie Jerome-Taylor**. Bradley is our new Camp HOPE program manager coming to us from Oregon with plenty of summer camp experience. Jackie is our new Journey Programs Program Manager, who has co-chaired and revitalized our local East County Domestic Violence Committee and worked at a local domestic violence agency prior to coming to Crisis House.

Again, a very special thank you to Our Lady of Grace Catholic Church and a warm welcome to our amazing new hires!
