Remembering Ron "Ronnie" Overman

In loving memory of Ron "Ronnie" Overman, we are saddened to announce his passing on June 11, 2020. Ron devotedly served on our Crisis House board as Board President and member of the Board since 2012. He was a longtime volunteer of 35 years and our annual Fish Camp organizer for underserved children.

Ron was a kind and loving man with a great sense of humor and genuine interest in the well being of others. Despite his recent health complications, Ron continued to smile and faithfully offer a helping hand in supporting Crisis House with providing COVID-19 safety and hygiene supplies.

Ron loved Crisis House and we were truly blessed to have him as part of our Crisis House family.

We are grateful to Ron's friends and family for sending donations and support in his memory.

"Those who live no more, whom we loved, echo still within our thoughts, our words, our hearts."

Camp HOPE Summer Camp Experience

This month, Crisis House kids will experience life-transformation and healing at [Camp HOPE 2020](#)!

Our mission is to give youth a brighter future by creating pathways to hope and healing through a week of camp, supported by year-round mentorship activities.

Resilient and hopeful children today are critical for a brighter future for all tomorrow. As children develop towards becoming more optimistic about their future, learn stronger problem-solving skills, and develop meaningful life goals, this creates a future society of emotionally healthy and confident citizens.
