March 2019 Newsletter

Project Homeless Connect - East County

Project Homeless Connect brings necessary services to the homeless men, women, and families in our community in one location, on one day. Crisis House hosts the event in East County each year, bringing more than 35 corporations, non-profit groups, congregations, and government agencies to assist over 200 homeless people in accessing 1,500 services.

This year the Point-in-Time-Count will be held at the Ronald Reagan Community Center (195 E Douglas Ave, El Cajon, CA 92020) on Friday, April 12th from 10:00 AM to 2:00 PM.

Join the Project and ensure our community helps:

1. Connect the homeless to services that will allow them to become permanently housed.
2. Provide resources and referrals to various health and social services.
3. Engage community volunteers.
4. Expand awareness of homelessness and the needs of the homeless.
5. Work to end chronic homelessness.

- Wash Cloth
- Chapstick

Bonus Items: nail clippers, dental floss, shaving cream, gum/mints, feminine hygiene product, anti-bacterial wipes, needle & thread, athletic socks, and one gallon plastic bags with zipper closure for packing.

Crisis House Hearts of Gold Gala!

On February 10, 2019, Crisis House hosted the first ever *Hearts of Gold Gala* at the University Club in downtown San Diego. The event honored our philanthropist of the year, the Cushman Foundation and our long-time partners, Soroptimist International of Poway and Soroptimist International of North San Diego. In addition to honoring these exceptional people, we hoped this event would help us to raise some of the over \$300,000 in operating funds necessary to support our mission.

On behalf of the Crisis House Board of Directors, staff members, volunteers, and clients, we are proud to announce that this event helped us raise over \$60,000!
