

Cheers to your 44 years of dedicated service to San Diego County, Mary!

As Crisis House bids farewell to Mary Case, we take a moment to reflect on her extraordinary contributions and express our heartfelt gratitude for her years of dedicated service. Mary was the Executive Director of Crisis House since July 2012, and her impact on our organization and the community at large has been immeasurable.

During her tenure, Mary spearheaded numerous initiatives that have propelled Crisis House forward in fulfilling its mission. One of her most remarkable achievements was orchestrating an emergency capital campaign in the spring of 2020, amidst the challenges of the COVID-19 pandemic. Through her leadership and unwavering determination, Mary successfully helped raise an impressive \$1.2 million, which allowed Crisis House to acquire a new headquarters. This pivotal accomplishment ensured that our organization could continue providing essential services to those in need.

On behalf of Crisis House and the community we serve, we extend our

warmest wishes to Mary. May this new chapter of her life be filled with joy, fulfillment, and the satisfaction of knowing that she has made an immeasurable difference in the lives of others throughout San Diego County.
