March 2018 Newsletter

Project Homeless Connect - East County

**PROJECT
HOMELESS
CONNECT**

Project Homeless Connect brings necessary services to the homeless men, women, and families in our community in one location, on one day. Crisis House hosts the event in East County each year, bringing more than 35 corporations, non-profit groups, congregations, and government agencies to assist 175 homeless people in accessing 1,100 services.

This year the Point-in-Time-Count revealed a 62% increase in the number of individuals who are chronically homeless in San Diego County, and although the 2018 report is not finalized, we do know that the numbers have increased again in East County and County-wide.

Join the Project and ensure our community helps:

1. Connect the homeless to services that will allow them to become permanently housed.
2. Provide resources and referrals to various health and social services.
3. Engage community volunteers.
4. Expand awareness of homelessness and the needs of the homeless.
5. Work to end chronic homelessness.

Soroptimist High Tea

High Tea
March 25, 2018

On Sunday, March 25 a long time partner and friend of Crisis House, *Soroptimist International of Poway and North San Diego* will host their annual high-tea. The event will take place at the Grand Del Mar (5300 Grand Del Mar Court, San Diego, CA 92130) from 1:00 PM until 4:00 PM

and will feature a fashion show by TV Personality Leonard Simpson as well as a silent auction.

Since 2002, *Soroptimist International of Poway and North San Diego* has worked with Crisis House to support families moving from abusive environments into safe and happy homes. *Soroptimist* manages four apartments for Crisis House clients that are survivors of domestic violence. They

prepare these units with love and care ensuring that families have everything they need in their new home. They provide mentoring to the mothers, making it possible for them to maintain their own permanent housing.

Their annual high-tea funds this amazing work. If you are interested in attending the tea please visit <http://www.sihightea.org>.

Crisis House Welcomes Catherine Fraser!

In February 2018 Catherine Fraser became the Development Director and the newest member of the Crisis House staff! Catherine comes to us from CCS Fundraising, an international fundraising consulting firm. She has worked with a number of clients all over Southern California.

At Crisis House Catherine will be the lead on fundraising events, developing individual giving, grant writing, and public relations. She encourages everyone to share this newsletter, follow us on our social media platforms, and keep in touch with Crisis House!
