## Holiday Adopt-A-Family Program

This program connects community members, businesses, congregations and clubs to families who are in need of food and gifts for their children during the holiday season. This year, we matched 131 families with 324 children to generous donors allowing for a happy holiday experience. We have partnered with Our Lady of Grace Church Holiday Angel Program for 30 years.

Organizations such as Sharp Grossmont Hospital, The India Philips Foundation, and the ESET Family adopted multiple families this year. Thank you to all of our donors for making this year extra special for those in need.
